### What's all the fuss about?

Reuben Tellis tells this story: A farmer came into town and asked the owner of a restaurant if he could use a million frog legs. The restaurant owner was shocked and asked the man where he could get so many frog legs! The farmer replied, "There is a pond near my house that is full of frogs millions of them. They all croak all night long and they are about to make me crazy!"

So the restaurant owner and the farmer made an agreement that the farmer would deliver frogs to the restaurant, five hundred at a time for the next several weeks. The first week, the farmer returned to the restaurant looking rather sheepish, with two scrawny little frogs.

The restaurant owner said, "Well... where are all the frogs?" The farmer said, "I was mistaken. There were only these two frogs in the pond. But they sure were making a lot of noise!"

Next time you hear somebody criticizing or making fun of you, remember, it's probably just a couple of noisy frogs. Also remember that problems always seem bigger in the dark. Have you ever laid in your bed at night worrying about things which seem almost overwhelming like a million frogs croaking? Chances are pretty good that when the morning comes, and you take a closer look, you'll wonder what all the fuss was about.

### Off into Uncharted Terrains, Yonder!

There is a greater awareness today of the need to 'include' everyone particularly those that are prone to be naturally left out the physically challenged, for example. Where there was only a staircase earlier, chances are there is a ramp today. This, of course, is keeping in mind those on wheelchairs. Today filmmakers and web designers are urged to adopt 'universal design' for their creations and thus ensure everyone equal involvement and access.

There is something evidently 'Christian' in this. It reminds us of Christ's sensitivity to those far removed from the centre-points of power and existed apologetically on the fringes. He resolutely cut through structures, customs and persons that tried to prevent him from reaching out to the most vulnerable situations and persons on the peripheries.

There are peripheries around us too: linguistic peripheries, economic peripheries, cultural peripheries, and information peripheries. There are mainstreams too linguistic, economic, and cultural. As Christian entities - church, diocese, parish, congregation, our obligation to be inclusive should perhaps make us sensitive to everyone, especially microscopic minorities that often languish on the outskirts of our mental horizons.

In a vastly varied milieu such as ours, the subtle struggles for space and supremacy assume equally varied forms and call for careful analysis. Whose interests do most of our programs serve? Whose language gets used most? Whose ideas finally get implemented? Often it's that of the bunch of mainstream cronies that surround us and enjoy the advantage of knowledge, proximity, access and voice.

A wonderful test, commonly ascribed to Mahatma Gandhi, could assist our efforts to be inclusive. "When in doubt, think of the face of the poorest man you have seen..." The much-quoted method remains valid beyond doubt, even to this day, especially when we are in doubt which language to use, which ministry to give preference to, which tribe or area to focus on... **J. **Agartala Parish  
Diaconate Ordination Lawrence  
Darlong**

May 1, 2013 was a red-letter day in the

Diocese of Agartala as the Ordination to Diaconate of Lawrence Darlong took place at St. Joseph Parish, Agartala. Lawrence Darlong is the first 'son of the soil' to be ordained a Deacon

in and for the Diocese of Agartala. Life is a precious gift from God and the same gift is more valuable and worth-living when it is given back to God in loving service. Deacon Lawrence Darlong resolved to serve God's people by responding to God's call.

At 8.30 am the Ordination to Diaconate took place and our Bishop Lumen Monteiro CSC, presided over the Holy Eucharist along with 15 priests. In his homily, Bishop Lumen explained who a deacon is and the important services that deacons render to the Church by assisting the priests. A large number of faithful from his home Parish and from St. Joseph Parish witnessed the ceremony. It was a first time-experience for many!

After the Mass a short felicitation program was arranged, during which our bishop sincerely extended his heart-felt gratitude to the parents of Deacon Lawrence Darlong, namely Mr. Zonunthara and Mrs. Sadhana for their generosity towards the Catholic Church. Deacon Lawrence Darlong also expressed his sentiments of gratitude to the Almighty, to his parents, to our Bishop Lumen Monteiro CSC and to the gathering.

The program came to an end with the cutting of a huge cake. Deacon Lawrence Darlong will be going to St. Peter's Seminary Bangalore to complete his IV Theology.

**Auxilium Girls School has 12 new buses**

“Auxilium Girls' School has 12 new Buses” - The event that made headlines in some of the newspapers in Agartala was indeed welcome news to the members of Auxilium family.

Till March 2013, the school had hired 13

buses for the school children. But all those buses were in a pathetic condition. Knowing the sorry condition of the buses Sr. Celine D'Cunha, Animator and Principal of Auxilium Girls' School, approached the Association of Salesian Cooperators asking them to take up this important mission at the service of the school. After much prayer and

The ceremony of handing over of 12 new TATA School Buses was held on April 8, 2013. On the following day we had the blessing of the buses by our Bishop Most Rev. Lumen Monteiro in the presence of Fr. Davis our Parish Priest as well as the members of the Association Salesian Cooperators, the Transport Staff, some of our teaching and non-teaching staff and well wishers. Bishop Lumen was very appreciative of the initiative taken by the School.

**April 11, 2013** the inauguration of the Academic year was a day of much excitement and boundless joy and happiness for all. The entire school campus was filled with fresh new life, of beauty, of greatness, of wonder and awe. 12 Brand New Tata School Buses brought much joy and happiness, broad smiles and thrills to all the children. Sr. Celine D'Cunha, Principal, welcomed everyone warmly back to school and introduced all the new Staff who were given a warm and thunderous welcome. She exhorted us all to nurture the dream to become great, to stay focused and to achieve greatness through hard work and commitment.

**Sr. Marylang Suchiang, FMA Renewal, a new experience**

On invitation from Fr. Sunny, the Secretary of the Evangelization Commission, the 'Christanjali Pariwar', a charismatic renewal group based in Kolkata and with many years of experience was in our Diocese from 19<sup>th</sup> April till 6<sup>th</sup> May 2013. During this time, John D'Rozario, Rose Mary, Terence and Rahul, constantly traveling, reached out to seven of our parishes for renewal programs during this Year of Faith. Bishramganj, Gondacherra, Kathalcherra, Bagbasa, Moharpara, Ambassa and Khumulwng Parishes hosted the group. With attractive music, the proclamation of the Word with emphasis on conversion, reconciliation and new life, their Sessions brought tears to many eyes. The enthusiasm could be seen in those who participated. Having conducted many renewal and 'healing' sessions all over India and abroad, they must have found our numbers rather small. But they were enthusiastic about the response and expressed the possibility

of having more such programs particularly for the youth. It was a first time experience for them as well as for our people and we feel it was a positive one.

**Go, and make Disciples**

The three day program on 'New Evangelization' at ASHA Agartala,

was a great opportunity for the 29 participants to encounter Christ and understand the true meaning of Discipleship. Fr. Vijay Shantiraj, National Secretary for Evangelization CCBI, and Fr. Panneer Selvam, both from Suvarta Kendra, the National Centre for Evangelization at Pachmarhi, Madhya Pradesh, superbly led the very responsive group through the 10 Sessions into the heart of the meaning of being a Disciple of Christ: to make Disciples for Christ. References from the Bible, Vat II, the Papal Encyclicals, and other documents reiterated the need for every Disciple of Christ to be making other Disciples for Christ. Power-point presentations, dynamics and an interactive method of the sessions made the three days seem to go fast. The pastoral plan of Jesus, His methodology and type of relationship a Disciple develops were all integral parts of the well-developed theme. The Holy Mass was celebrated by Frs. Jeevan Kennedy, P J Joseph and Cyprian Pinto. Thanks to Fr. Robert and his Team for hosting the program organized by the Evangelization Commission and making everything very convenient. However, it was unfortunate that due to various reasons like the anticipation of the reopening of the Govt. schools, a number of people who were listed could not attend and only 11 parishes were represented. **Fr. Sunny Palamthattel, sdb**

**“The Miracle Man”**

Where there is a will there is a way, goes the famous adage. This young officer has literally proved it using modern technology. When many scorned or ridiculed him, he did not lose his heart. He pursued his goal with devotion and commitment and the results are there to see. He is a harbinger of change and has brought joy to the people of Tousem, a Manipur subdivision, considered one of India's most backward, by giving them what they needed most a motorable road that connects them to the outside world. The opening of the 100-km “People's Road” a couple of months ago has earned him the sobriquet “The Miracle Man”. The 28-year-old IAS officer Armstrong Pame used Facebook to raise funds for building a 100-km public road. Armstrong Pame, the sub-divisional magistrate (SDM) of Tousem, which lies in Tamenglong, his home district, and the first IAS officer from the Zeme tribe of Nagaland, is the man who was instrumental in single-handedly taking on the ambitious project of building the road without any state government aid. The road connects Tousem with the rest of Manipur, as also with Assam and Nagaland. *Source: Gem*
